Gentlemen:

Here's a copy of CFAC's November 10, 2014 104(e) response.

Scott—

Rob and I discovered that there are a total of 8 boxes of responsive materials. Six out of eight are oversized boxes (i.e., larger than a banker's box with 3,000 sheets), the seventh is a banker's box, and the eighth is a small box.

-Mark
